BUSINESS MEMBERSHIP FORM

The Lake Stevens Senior Center is soliciting business memberships as a form of raising funds for the Center and in return we will promote your business within the Center membership.

Business membership includes a free three-line listing in the monthly newsletter and on our bulletin board, discounted display ads in the newsletter, discounted facility rental rates and the ability to display your business cards at the Senior Center. We have a membership of nearly 200 seniors who use the facility along with some drop-ins. Our weekly Friday lunches have been known to host over 100 people at one time.

Memberships are valid from January 1 to December 31 of each year. Annual dues are \$40 per business and will be prorated on a quarterly basis when you join. To become a member complete this form and return it, together with a check or cash, to the Senior Center office, or mail it to PO Box 205, Lake Stevens WA 98258. Contact Donna at the Center office with any questions you may have.

For the protection of our members, all businesses must be in good standing with the Better Business Bureau and pass any other safety checks that the Center may deem necessary to qualify.
